CAREER OBJECTIVE

Entry-Level Java Full Stack Developer with a solid foundation in Java, SQL, HTML, CSS, and JavaScript. Skilled in developing responsive web applications, building RESTful APIs, and working with database-driven systems. Familiar with the Software Development Life Cycle (SDLC), clean coding principles, and industry best practices.

TECHNICAL SKILLS

Programming Languages: Java, SQL
Frontend Technologies: HTML, CSS, JavaScript, React.js
Developer Tools: Git, GitHub, VS Code, IntelliJ IDEA, MySQL, Eclipse
Core Concepts: Object Oriented Programming (OOP), Data Structures, SDLC, STLC
Soft Skills: Analytical and Problem-Solving Skills, Self-Motivation, Decision Making

EXPERIENCE

Web Developer Intern

Rveiya Dynamics Pvt. Ltd.

May 2025 – August 2025

- Developed responsive React.js components using HTML, CSS, and JavaScript to ensure consistent UI, cross-device compatibility, responsiveness, and improved user experience.
- Built reusable and modular components following clean code principles, enhancing application scalability, maintainability, and performance.
- Collaborated with cross-functional agile teams using Git and GitHub, and deployed production-ready features with optimized and bug-free releases.

PROJECTS

Traffic Sign Recognition System (CNN-Based)

May 2025

- Built a real-time traffic sign recognition system using Convolutional Neural Networks (CNN) for accurate image classification.
- Developed a Java-based backend and integrated RESTful APIs for model inference and data communication.
- Implemented SQL-based database operations to store prediction results and application data.
- Integrated OpenCV for image preprocessing and real-time frame capture.
- Designed a responsive UI using HTML and CSS to visualize predictions.

Weather Application

September 2025

- Developed a responsive weather application using React.js and OpenWeather API for real-time weather updates.
- Implemented city-based search and geolocation features for location-aware forecasting.
- Used React Hooks for efficient state management and optimized component rendering.
- Added robust error handling, API validation, and performance improvements to enhance user experience.

EDUCATION

Bachelor of Technology – Electronics and Communication Engineering

Dec 2021 – May 2025

Sri Venkateswara College of Engineering, Tirupati, Andhra Pradesh

CGPA: 9.35

Senior Secondary Education

Jun 2019 – May 2021

Sri Vema Junior College, Naidupeta, Andhra Pradesh

CGPA: 9.42

CERTIFICATES

Web Developer Intern - Rveiya Dynamics Pvt. Ltd.
HackerRank Certified - Java
Wadhvani Foundation - Employability Skills Program
